

Cost Increase/Decrease Policy – Effective April 17, 2025

Notification of Cost Increases:

Written notice of all proposed cost increases must be received and approved by the appropriate Weis Category Manager, excluding commodity products (perishable products and live goods), with the following:

- Minimum of **ninety (90) days prior** to the effective date (delivery date) on all items, upon being deemed complete by the appropriate Weis Category Manager following submission of all essential paperwork.

Weis reserves the right to add and/or change the above schedule at any time, upon written notice to all our vendor partners.

Weis will not be obligated to pay increases on any items(s) not following any or all of the above guidelines.

Notification of Cost Decreases:

Written notice of all proposed cost decreases must be received and approved by the appropriate Weis Category Manager, excluding commodity products (perishable products and live goods) with the following:

- Minimum of **Thirty (30) days prior** to the effective date (1st delivery date) of proposed cost decrease

Cost decreases received without the proper notification as mentioned above will be subject to additional handling costs.

Weis has the right to bill for all excess product on hand via the effective date of the decrease. This includes all excess floor stock, warehouse and store stock.
